

Coventina™ Coping

Coventina™ Coping features a textured surface and rich color blends that mimic the look and feel of natural cut slate. This versatile product compliments a variety of paver styles and is not only the perfect finishing touch for pools, but can also be used to trim steps or cap a wall.

Features & Benefits:

- Textured top and side for a natural stone look
- Large shape allows for fewer cuts and fewer seams
- Works with both contemporary and traditional designs
- Compliments a variety of paver styles
- Ideal for pools
- Trim pools, steps and walls with a single product
